Audio Production - Basic Hourly Rates

Production: \$25.00/hr.

This includes full use of the studio, and an engineer or producer.

Mobile Production: Add \$15.00/hr.

Additional fees will apply outside of Calgary city limits. A minimum of 2 hours will be charged up front for all mobile bookings.

Senior Engineer: Add \$15.00/hr. Minimum 4 hour booking.

If you'd like a senior engineer instead of a junior one, we can arrange that for an additional fee. Senior engineers have at least 2 years of experience with studio recording, and are intimately familiar with advanced recording, professional mixdown techniques, and studio practices.

Select Engineer: Add \$30.00/hr. Minimum 4 hour booking. Subject to availability.

Our select engineer is available to work with you on larger budget projects. Our select engineer has a master's degree in audio engineering and over 5 years of professional studio experience.

Select Studio: Add \$30.00/hr. Minimum 4 hour booking. Subject to availability.

Record in some of Western Canada's premiere studios at industry rates! We have agreements with several studios if you're looking for something larger, with a greater selection of gear to make your tracks sound even better!

Session Players: \$30.00/hr. Minimum 4 hour booking.

This includes one session player whose work will be guided by the producer.

Producer: \$30.00/hr. Minimum 4 hour booking.

Producer, able to coordinate band sound, run rehearsals, and get your sound tight.

Rehearsal: \$15.00/hr.

This includes use of the instruments in the studio only. Rehearsal times may be bumped if that time is needed for a production project.

Head Charge: \$10.00 per session.

Add a head charge if you're using the studio drum kit. This fee goes towards replacing heads and cymbals and keeping the kit in tip-top recording shape.

A minimum of 1 hour will be charged for all bookings. After the first hour, time rounds to the next 15 minute interval. Time starts at the beginning of your booked period, whether you're on time or not. Add \$5.00/hr. if the session occurs between 10 PM and 8 AM or on a Sunday.
